

## CAMPUS TO CORPORATE INTERNSHIP

### Offer Letter - 2025/26

This is to certify that **Deepak M** currently studying at **Presidency University, Yelahanka, Bangalore** has been selected for an opportunity to pursue the prestigious **Campus to Corporate Internship Program** at **TAP Academy, Bengaluru**.

**Designation:** Software Development Intern

**Location:** TAP Academy, BTM Layout, Bengaluru

**Commencement Date:** Jan 2026

#### Program Overview:

The C2C Internship Program provides candidates with end-to-end training in software development, hands-on project experience, and exposure to industry practices. A unique feature of the program is the AI-Agentic Coding module, enabling candidates to learn how AI-driven coding assistants and autonomous frameworks can boost productivity and prepare them for future-ready careers.

#### Terms & Conditions:

**Internship Mode:** The internship will be conducted entirely offline, with all training and project activities taking place at our Bengaluru campus.

**Training Materials:** TAP Academy will provide welcome kits and AI-enabled learning resources to support interns throughout their training journey.

**Certification:** Upon successful completion, candidates will receive an Internship Certificate and will be offered placement opportunities with our corporate partners, with a minimum package starting from 4.5 LPA.

**Validity:** Please note that this offer is valid for 7 days from the date of the internship commencement. Failure to accept within this period will result in the offer being rescinded.
